The Problem

CREATORS ARE GETTING CRUSHED BY CENTRALIZED PLATFORMS

\$100B+ CREATOR ECONOMY
CONTROLLED BY GATEKEEPERS

Why It Matter

- Gumroad takes 10% + payment fees on every sale
- Patreon takes up to 12% of creator earnings

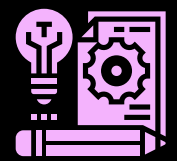

Who Does It Affect

- Platforms can freeze creators accounts, ban products, and hold payments
- Creators don't own their customer relationships
- One policy change can destroy a business overnight

- Creator earnings being sliced by platform fees
